

Statement

**SARAH CLEMENTS HOLT
BS, CNMT, NMTCB(CT)**

I am running for President of the SNMMI-TS New England chapter to give back to our field, and to make sure the resources and networking available through the SNMMI is accessible to as many members as possible. I am excited to share my own skills and to also learn from the vast experience that lies within our chapter. I would be honored to have the opportunity to work with the current and rising constituents and the executive board to make our meetings and communications the best they can be, and make sure we are meeting the needs of the chapter. Thank you so much for your consideration.
